Re: Town of North Hampton, Rockingham County, New Hampshire
Community No.: 330232

Dear Mr. Maggiore:

In April of 2014, your community received Preliminary Flood Insurance Rate Maps (FIRMs) and a Flood Insurance Study (FIS) that were updated to incorporate the Federal Emergency Management Agency's (FEMA's) latest evaluation of coastal flood hazards in Rockingham County, New Hampshire. Subsequent to the issuance of those documents, an appeal was filed by the Town of Rye. The appeal has been resolved, and the enclosed FIRMs and FIS have been issued to reflect the new mapping.

Please note that there are no changes to flood hazard areas within your community. You are receiving this letter for informational purposes only.

If you have any questions regarding this matter, please contact John Grace, Coastal Engineer, FEMA Region I by telephone at (617) 832-4715 or by e-mail at john.grace@fema.dhs.gov.

Sincerely,

MARILYN HILLIARD
