Re: Updated Preliminary Flood Insurance Rate Map (FIRM) and Updated Preliminary Flood Insurance Study (FIS) Report for Rockingham County, New Hampshire

Dear Ms. Noon:

The Federal Emergency Management Agency (FEMA) has revised the Flood Insurance Study (FIS) and Flood Insurance Rate Map (FIRM) for the coastal communities in Rockingham County, New Hampshire. Enclosed for your information is one Preliminary copy of the revised products for your non-coastal community. Please note that there are no changes to flood hazard areas within your community. You are receiving these panels for informational purposes only.

If you have any questions regarding the necessary floodplain management measures for your community or the National Flood Insurance Program in general, we urge you to contact John Grace, FEMA Coastal Engineer, at (617) 832-4715.

Sincerely,

Richard Verville, Chief
Hazard Mitigation Assistance Branch
FEMA Region I
