

(A-1)

New Hampshire Broadband Mapping & Planning Program Broadband Survey

The New Hampshire Broadband Mapping & Planning Program (NHBMP) is developing a statewide broadband coverage map showing locations in the state that currently do and do not have broadband access. This map will be used to better understand the present status of broadband availability in New Hampshire, and to help guide future broadband investments in the state.

Please tell us about broadband availability where you live or work. We will use this information to help verify our mapping activities.

1. **Property Address:** Michelle Awen
98 Henry Law Ave Unit 12 Dover NH 03820

2. **This address is primarily a:** Home Business Other
 If Other, please describe: _____

3. **Do you presently have Internet access?** Yes No
If yes, who provides your service?
 Dialup Service Provider: _____
 Satellite Service Provider: _____
 Cable, DSL, Wireless, Other Broadband Service Provider: Comca

If yes, is this a bundled service (e.g. internet, phone, and/or cable)? Yes No

If yes, do you consider your service adequate? Yes No
 (Feel free to provide comments on the back of this form.)

If no, why not (please check the primary reason):
 Internet access is not available at this location I do not have a computer
 I access the Internet at another location I do not need access
 Service is too expensive Other (please explain) I dont need a land line
 Service is too complicated

4. **Please indicate your estimated monthly Internet cost:**
 N/A (I do not have Internet access) \$100.00 or more
 Less than \$19.99 I can't estimate separately from other bundled services
 \$20.00 - \$49.99 I don't know
 \$50.00 - \$99.99

5. **If you know the speed of your Internet service, please provide it here:**
 Download speed (e.g. information TO you): _____
 Upload speed (e.g. information FROM you): _____
 (If you are unsure or don't know your service speed, please visit www.broadbandnh.org and take the speed test.)

6. **Please use the back of this form to provide any other comments you feel will help the NHBMP.**

New Hampshire Broadband Mapping & Planning Program Broadband Survey

www.recovery.gov

The New Hampshire Broadband Mapping & Planning Program (NHBMP) is developing a statewide broadband coverage map showing locations in the state that currently do and do not have broadband access. This map will be used to better understand the present status of broadband availability in New Hampshire, and to help guide future broadband investments in the state.

Please tell us about broadband availability where you live or work. We will use this information to help verify our mapping activities.

1. Property Address: 460 Mill Brook Rd
LANCASTER NH

2. This address is primarily a: Home Business Other
If Other, please describe: _____

CREAMERY SPECIALIZING
IN AWARD-WINNING
ARTISANAL CHEESE

3. Do you presently have Internet access? Yes No

If yes, who provides your service?

Dialup Service Provider: _____
 Satellite Service Provider: _____
 Cable, DSL, Wireless, Other Broadband Service Provider: _____

If yes, is this a bundled service (e.g. internet, phone, and/or cable)? Yes No

If yes, do you consider your service adequate? Yes No
(Feel free to provide comments on the back of this form.)

If no, why not (please check the primary reason):

Internet access is not available at this location I do not have a computer
 I access the Internet at another location I do not need access
 Service is too expensive Other (please explain) _____
 Service is too complicated _____

4. Please indicate your estimated monthly Internet cost:

N/A (I do not have Internet access) \$100.00 or more
 Less than \$19.99 I can't estimate separately from other bundled services
 \$20.00 - \$49.99 I don't know
 \$50.00 - \$99.99

5. If you know the speed of your Internet service, please provide it here:
