

Federal Emergency Management Agency

Washington, D.C. 20472

AUG 28 1998

LETTER OF MAP AMENDMENT
218-70-RS

IN REPLY REFER TO CASE NO.: 98-01-154A

Community: Town of New Durham,
Strafford County, New Hampshire
Community No.: 330227
Map Panel Affected: 0010 B
Map Effective Date: May 2, 1991

We reviewed a request dated November 29, 1997, for a Letter of Map Amendment (LOMA). All required information for this request was received on July 29, 1998. Using the information submitted and the effective National Flood Insurance Program (NFIP) map, we determined that a portion of the property described below is located in the Special Flood Hazard Area (SFHA), an area that would be inundated by the flood having a 1-percent chance of being equaled or exceeded in any given year (base flood); however, the structure on the property is not in the SFHA.

Property Description: A parcel of land, as described and recorded in Deed Book 1019, Pages 457-460, by the Strafford County Register of Deeds on August 9, 1978

Street Address: 77 Northshore Road

Flooding Source: Merrymeeting Lake

This letter amends the above-referenced NFIP map to remove the structure from the SFHA. The structure is now located in Zone X (unshaded). Flood insurance coverage for the structure may be available under a low-cost policy (see enclosed document). Because portions of the property remain in the SFHA, any future construction or substantial improvement on the property remains subject to Federal, State, and local regulations for floodplain management.

An additional enclosed document provides information about LOMAs. If you have any questions about this letter, please contact Ms. Helen Cohn of our staff in Washington, D.C., either by telephone at (202) 646-3457 or by facsimile at (202) 646-4596.

Sincerely,

A handwritten signature in black ink, reading 'Matthew B. Miller', is positioned below the 'Sincerely,' text.
