Reference Nodes

The map displays the Boscaawen region in Maine, characterized by a dense network of roads and numerous small red dots. A prominent green line traces a path through the area, connecting 19 numbered green circular markers. The markers are distributed across the map, with a higher concentration in the southern and eastern portions. The map includes labels for several towns: Salisbury, Franklin, Webster, and Concord. It also shows geographical features such as Walker Pond, Little Pond, and Merrimack. A green grid is overlaid on the map, and various road names and highway numbers (e.g., 132, 127) are visible. The title 'BOSCAAWEN' is prominently displayed in the top left corner.
