TOTAL HOUSING UNITS	3	3	-1	-1			2

CALENDAR YEAR 2013
 (January 1, 2013 through December 31, 2013)
 Please review the instructions on the back of this form.

NOTE: The Office of Energy and Planning is interested only in permits that change the number of residential dwelling units in your community. Permits for alterations (room additions, decks/porches, sheds, etc.) or non-residential garages should not be tabulated on this form. If your community does not have a permit system in place, please use the best comparable information available (i.e., certificate of occupancy).

Conversions**							
Manufactured Housing							
TOTAL HOUSING UNITS							3

* Excluding manufactured housing.

** Conversions: Count only the number of residential units created or lost. Examples of conversions include: (a) conversion of a single family house to a multifamily house (increasing the number of dwelling units), (b) accessory dwelling units, and (c) conversion of a residence to an office or restaurant or other non-residential use (decreasing the number of dwelling units – enter this number in the demolitions column).

Should you have questions, please contact Ken Gallager, Principal Planner, at 271-2155 or ken.gallager@nh.gov

Last year, the response form was completed by: **Paul LaRoche, Building Inspector**

NOTE: The Office of Energy and Planning is interested only in permits that change the number of residential dwelling units in your community. Permits for alterations (room additions, decks/porches, sheds, etc.) or non-residential garages should not be tabulated on this form. If your community does not have a permit system in place, please use the best comparable information available (i.e., certificate of occupancy).

CALENDAR YEAR 2015

(January 1, 2015 through December 31, 2015)

Please review the instructions on the back of this form.
