

## Notes

Roads: 2002, R1-911, developed by multiRDATA GIS, Inc. for the State of Rhode Island. Dept. of Administration, E-9-1-1 Uniform Emergency Telephone System Division (R1-911). Based on 1:5000 scale road centerlines prepared in partnership by National Grid USA & Rhode Island Department of Transportation (R1-911) and Rhode Island GIS Center. Completed compilation of road name, address range, and functional class attributes from 1:5000 scale road centerlines and 1:5000 scale parcel data. GIS data used to match R1-911 Master Street Address Guide (MSAG), with review by municipal addressing authorities in 2002. Completed updating new roads constructed since 1997 based on GIS data or paper maps provided by municipal governments. GIS data used to match R1-911 Master Street Address Guide (MSAG) for Exeter, Gloucester, Tiverton, and South Kingstown in 2002; East Providence, Newport, and North Providence in 2002-2003; and Middletown, Providence, and West Warwick in 2004. GIS/GPS field data collection on-going.

Emergency Service Zones: 2002, RI-911. Generated from the Road Access Zones (RAZ) of each road segment, and the Emergency Service Number (ESN) assigned to that segment.

Emergency Service Agencies: 2002, RI-911 ESN/ESA listing.

Surface water: 2000, Rhode Island Geographic Information System (RIGIS), 1:5000 Scale Ponds & Streams.

Town Boundaries: 2000, RIGIS 1:5000 Scale, updated based on information provided by municipal officials

Extreme care was used during the compilation of this map data to insure accuracy. However, due to changing conditions, varied map scales and the need for reliance on many outside sources, the publisher of this map cannot accept responsibility for errors or omissions. There are no warranties which accompany this material. The information depicted on this map may not be adequate for legal boundary definition or regulatory interpretation. This data is intended for Enhanced 8-1-1 purposes only.

Map produced December 30th, 2004

Scale 1:80000
